

## **Martini Club: Moving on: new bands, new music...**

It is with some sadness we announce that, after two decades, the Martini Club band is coming to an end.... But, happily, the music isn't!

The band's partners will continue to provide the same great dance floor-filling entertainment to the industry... but in two separate camps:

Adam (trumpet), Mark (drums and DJ), Will (sax) and Michelle (vocals) will continue to work together to create a brand new band with Cavan (Original MC singer) performing as a special guest. Pascal ( DJ and percussion) plans to continue his musical journey separately with a new crew. (Watch this space for unveiling of the new names.)

## **Vale Martini Club.**

From humble beginnings, we quickly gained an infamous reputation as a good-time party band at the Beach Palace Hotel Sunday Sessions for six long years and then a succession of residencies at a string of late night / early morning venues

After the Play Boy Mansion tour to LA, the ultimate coup d'etat, the current band partners (Adam, Pascal, Will and Mark) formalised and began working with Michelle Martine and special guest Cavan Te. Up until this day, we have maintained a steady presence in the Sydney scene playing regularly at weddings, high profile events and festivals in Sydney, interstate and overseas.

**All of us would like to acknowledge the good times we have shared and the special memories created with our followers and industry friends.**
